Records Management Division  
Washington Headquarters Services  
Room 1D517, Pentagon

Dear Mr. Kinney:

Thank you for your telephone call of 1 March in which you brought to our attention the classification conflict on National Intelligence Estimate NIE-2, Advance Copy, dated 6 November 1950. In view of the fact that this document was released for publication in Foreign Relations of the United States, Volume VII, 1950, we are changing our records to reflect that it is now declassified. Enclosed is a copy of the front cover of the document showing this action.

This NIE was released for publication before the establishment of Classification Review Division. Although we have made a conscientious effort to collect previous decisions and record them in our data base, we have not yet found all of them, and we are glad to have any such discrepancies called to our attention.

Sincerely,

Chief, Classification Review Division  
Office of Information Services  
Directorate of Administration
